SUPERINTENDENT'S MESSAGE

The BULLDOG this year will be a memorable link for the students of Primero Union High School. For many years past you have known and been proud of the school and its activities.

The coming year will see a new home for all the things that have been Primero Union High School. The fond memories will remain but the spirit that has been yours will be carried to the new home. Primero Union High will be a proud name wherever its location.

RUEBEN GUTIERREZ

PRINCIPAL'S MESSAGE

Seniors 1953-54

You who are trained to consider your actions, to undertake them as a result of careful thought, are in so far trained in self-control and obedience to certain standards. Add to this ability a power to endure in an intelligent chosen course in the face of distraction, confusion and difficulty, and you have the making of a moral, religious and ethical future.
